Nurse-Midwife/Patient Arbitration Agreement

Article 1: **Agreement to Arbitrate:** It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional rights to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.

Article 2: **All Claims Must Be Arbitrated:** It is the intention of the parties that this agreement bind all parties whose claims may arise out of or related to treatment or service provided by the nurse-midwife including any spouse or heirs of the patient and any children, whether born or unborn, at the time of the occurrence giving rise to any claim. In the case of any pregnant mother, the term "patient" herein shall mean both the mother and the mother's expected child or children.
All claims for monetary damages exceeding the jurisdictional limit of the small claims court against the nurse-midwife and the nurse-midwife's partners, associates, consultant's, association, corporation or partnership, and the employees, agents and estates of any of them, must be arbitrated including, without limitation, claims for loss of consortium, wrongful death, emotional distress or punitive damages. Filing of any action in any court by the nurse-midwife to collect any fee from the patient shall not waive the right to compel arbitration of any malpractice claim.

Article 3: **Procedures and Applicable Law:** A demand for arbitration must be communicated in writing to all parties. Each party shall select an arbitrator (party arbitrator) within thirty days and a third arbitrator (neutral arbitrator) shall be selected by the arbitrators appointed by the parties within thirty days of a demand for a neutral arbitrator by either party. Each party to the arbitration shall pay such party's pro rata share of the expenses and fees of the neutral arbitrator, together with other expenses of the arbitration incurred or approved by the neutral arbitrator, not including counsel fees or witness fees, or other expenses incurred by a party for such party's own benefit. The parties agree that the arbitrators have the immunity of a judicial officer from civil liability when acting in the capacity of arbitrator under this contract. This immunity shall supplement, not supplant, any other applicable statutory or common law.
Either party shall have the absolute right to arbitrate separately the issues of liability and damages upon written request to the neutral arbitrator.
The parties consent to the intervention and joinder in this arbitration of any person or entity which would otherwise be a proper additional party in a court action, and upon such intervention and joinder any existing court action against such additional person or entity shall be stayed pending arbitration.
The parties agree that provisions of California law applicable to health care providers shall apply to disputes within this arbitration agreement, including, but not limited to, Code of Civil Procedure Sections 340.5 and 667.7 and Civil Cold Sections 3333.1 and 3333.2. Any party may bring before the arbitrators a motion for summary judgment or summary adjudication in accordance with the Code of Civil Procedure. Discovery shall be conducted pursuant to Code of Civil Procedure section 1283.05, however, depositions may be taken without prior approval or the neutral arbitrator.

Article 4: **General Provisions:** All claims based upon the same incident, transaction or related circumstances shall be arbitrated in one proceeding. A claim shall be waived and forever barred if (1) on the date notice thereof is received, the claim, if asserted in a civil action, would be barred by the applicable California statute of limitations. Or (2) the claimant fails to pursue the arbitration claim in accordance with the procedures prescribed herein with reasonable diligence. With respect to any matter not herein expressly provided for, the arbitrators shall be governed by the California Code of Civil Procedure provisions relating to arbitration.

Article 5: **Revocation:** This agreement may be revoked by written notice delivered to the nurse-midwife within 30 days of signature. It is the intent of this agreement to apply to all medical services rendered any time for any condition.

Article 6: **Retroactive Effect:** If patient intends this agreement to cover services rendered before the date it is signed (including, but not limited to, emergency treatment) patient should initial below;

If any provision of this arbitration agreement is held invalid or unenforceable, the remaining provisions shall remain in full force and shall not be affected by the invalidity of any other provision.

Beach Cities Midwifery
& Women's Health Care

January 1, 2021 the State of California enacted Senate Bill 1237 that removed the requirement of physician supervision from the practice of a Nurse-Midwife (Certified Nurse-Midwife-CNM). A requirement of this law includes that CNMs provide informed consent for the following:

1. As a patient of Beach Cities Midwifery & Women's Health Care I understand the midwives that I have retained for my care are independent providers and are not supervised by a physician and surgeon. The midwives are independently licensed and practice midwifery.
2. I understand that the midwives of Beach Cities Midwifery have discussed with me their relationship with physicians for the purpose of consultation related to my care. Consultation by the midwife with a physician and surgeon does not create a physician-patient relationship or any other relationship with the physician and surgeon. The midwives will refer me if my condition requires the care of a physician and surgeon.
3. I understand that the midwives have specific arrangements for the transfer of care during prenatal care, hospital transfer and access to appropriate emergency medical services for me and my baby if necessary. They have discussed the arrangements based on my office location with me during the consultation visit.
4. I understand the recommendation that I preregister at the hospital where there are obstetric emergency services in the event I may need to transfer.
5. Should it be needed, I understand that the midwife with Beach Cities Midwifery will initiate the transfer, communicate with physician and staff, provide all records and ensure safe continuum of care.
6. I understand that the Certified Nurse-Midwives are licensed through the California Board of Registered Nursing. The CNMs of Beach Cities Midwifery and their license numbers are below. The text for SB1237 can be found on the BRN website, www.rn.ca.gov. Procedure for registering a complaint can also be found on the website.

Adrienne Joe, CNM	236086	Paula Cooper-McQueen, CNM	1418
Angela Lim, CNM	236101	Julie Oates, CNM	236051

I confirm that I have reviewed and have had the opportunity to talk with a CNM about the information above and am giving my informed consent for care with the midwives of Beach Cities Midwifery & Women's Health Care.
